[LGBTQIA+ 101 Training](#)

An overview on how to support LGBTQ youth, their families, your co-workers and colleagues. Join SDYS Staff and volunteers to share knowledge about the LGBTQ community and learn:

- Basics of gender identity and sexual orientation
- LGBTQIA+ terminology
- Risk and resiliency considerations
- Importance of adult allies
- How to create a safe space
- Local and community resources

[Learning Objectives](#)

- To increase knowledge of terminology and risk and resiliency considerations related to coming out as LGBTQ.
- To raise awareness of how to support LGBTQ youth and their families, as well as LGBTQ co-workers and colleagues.
- To facilitate change in the hope of promoting connection, inspiration, strength and healing for LGBTQ youth, their allies and the larger community.
