Due to the recent COVID-19 pandemic, Our Safe Place will be operating on a needs-only basis. That means that at the physical drop-in location we will be providing showers, hygiene items, pick up your gender affirming items and/or grab a snack. However, we want to ensure you have a safe place to get connected with staff and peers, so we have created activities and meeting spaces via ZOOM! Staff will send ZOOM invites to those who would like to join in the morning before the activity! **Please contact Mel at (619) 871-8342 between the hours of 12pm and 8pm** for more information, how to access groups or to get set up with staff for check-ins. Thank you all for your understanding, please stay safe and wash those hands!
